REQUEST TO WITHDRAW PETITION FOR RULEMAKING

The Millimeter Wave Communications Working Group (the “MWCWG” or “Petitioners”), by its attorneys, requests that its above captioned Petition for Rulemaking be withdrawn. The Commission has adopted a Report and Order that addresses the issues raised by the MWCWG.¹ Accordingly, Petitioners believe it would be a wasteful use of Commission resources to now pursue this petition.

¹ See *In the Matter of Amendment of Part 2 of the Commission's Rules to Allocate Additional Spectrum to the Inter-Satellite, Fixed, and Mobile Services and to Permit Unlicensed Devices to Use Certain Segments*

For the foregoing reasons, MWCWG asks that the Commission grant this request to withdraw its Petition for Rulemaking.

Respectfully submitted,

MILLIMETER WAVE COMMUNICATIONS
WORKING GROUP
